Announcement to all students

Dear PIASS students,

The Protestant Institute of Arts and Social Sciences (PIASS), prays that you are safe and well. We are glad to inform you that after a long period of school confinement, PIASS is been allowed to reopen with students from level III. Consequently, our teaching and learning activities are resuming on the 9th November 2020 with level III, IV, V.

Kindly note the following:

- We request all level III, IV and V to do online registration so that the concerned office provides you with an entry card, on arrival, which will help detect your health status related to COVID-19 (there is no cost related to this specific registration). Those unable to register online could do that on campus.
- From 9th November, there will be a posted timetable indicating revision sessions and plan for exams. Please address any query related to this in your respective departments
- While in the campus, you are obliged to follow all instructions related to the prevention of COVID-19 as indicated
- Students from level I & II will be communicated on when to resume their classes

As informed from the previous communiqué, kindly make sure that you have observed all requirements, and prepare well for your exams.

While we are looking forward to seeing you again at the campus, PIASS wishes you well and good luck for your studies.

On behalf of the PIASS Management

Prof. Dr. Penine Uwimbabazi
Deputy Vice Chancellor Academics
